EDITOR'S NOTES

Greetings from your new newsletter editor;

Obviously, I have enormous shoes to fill and will need your patience as I get used to my new job. Do not expect any big changes but I am hoping to add a few new features, just to keep it interesting. Since we have become quite a large club, it is sometimes hard to get to know each other very well. With that in mind, I will be starting a Meet the Member column for the benefit of both the new members who can be a bit overwhelmed walking into a room full of unfamiliar (but friendly) people at Champps but also for the more longtime members who may have not had to opportunity to get to know the newer members.

There will also be some seasonal items included. For example, right now I would like to feature pictures of your cars as they take their 'long winter's naps'. Covered or uncovered, up on lifts or stored in someone else's garage, let's include some pictures of them as they (and we) wait patiently for warm, dry weather and future Drive N Dines, Car Shows and Road Trips!

Another new feature will be a Shopping With Sherry column to include merchandise already in inventory and new items that Sherry comes up with.

I think that's it for now. This will be an evolving publication so look for new things to come in the future and feel free to make suggestions.

Thanks, Erika

EARNING YOUR BEADS! Now you don't have to go to New Orleans or the Jerry Springer show to earn your beads! GREEN BEADS are awarded the Drive N Dine host DRIVER. Those that have earned their GREEN BEADS so far this year are: Greg Bowron, Butch DeWitt, Dean Dolbee, Susie Hale, Carol Hogan, Bill Lapham, Erika Lapham and Robert Scott. BLUE BEADS are awarded for the "co-pilot" host. Those that have earned their BLUE BEADS this year are Donna Bowron, Tammy DeWitt, Zoe Dolbee, Erika Lapham, Dottie (Carol's mom) and Terry Sitzer. Randy & Sherry Sprague will receive honorary mention (purple beads) as they planned a Drive N Dine and then rain clouds over Greenfield caused them to cancel at the last hour. Hopefully they will get to run that route at a later date. The Drive N Dines are great fun to go on and can be even more fun to host! We hope more people decide to earn their beads and host an event because more hosts mean different driving routes, new restaurants and

greater fun! If you would like to earn you beads, contact Greg Bowron as there is help available from him or Bill Lapham to help you plan a successful first event.

Mid America Discount: As a reminder, Greg Bowron has set up a club discount with Mid America of 10% off and free shipping when we have a combined order of at least \$500. Their rules say that the orders must be placed by the designated club order person, must be charged to a single charge card and delivered to a single address. If you want to place an order contact Greg and he will issue the order when he has enough total orders to meet the minimum requirements. Ndirishr1@hotmail.com

RECENT EVENTS:

Retiree & Hookey Players' Drive N Dine; Wednesday, December 5th

On a crisp, clear Wednesday afternoon a small group met at Bill & Erika's for a short drive on possibly the last Retirees and Hookey Players Drive N Dine for the year. Those able to make it were the hosts Bill & Erika, Robert & Judy, Arminta, Jim & Shelley, and Rich from CC. Only three Corvettes made the trip, and had Rich used his wife's Corvette they all would have been Electron Blue! Arminta rode along with Jim & Shelley in his prized White Lexus, freshly detailed at Penske. A quick, short route was used to the restaurant, and it was the first Drive N Dine for awhile that did not use Mule Barn Road! Once at their destination a very leisurely lunch was had with good Conversation from the new C7 to what type of health insurance we were using. The subjects sure do change the older we get, as one of the group noted.

CHRISTMAS DINNER; Claddagh, Saturday, December 8th The 2012 Christmas dinner was held at Claddagh's on December 8, a rather mild Saturday evening. Almost half of the club's membership were able to attend this year's last big event. The dinner was great and there was even time for socializing before the Irish band struck up. No one got up and danced, but everyone enjoyed the entertainment, even though it made conversation a little hard at times. Those able to attend this year's event were John & Diana, Jeff & Charity, Rich & Suzanne, Greg & Donna, Butch & Tammy, Wylie & Rita, Susie H & Terry, Doug & Mary, John & Margret, Jack & Diane, Darrell & Beth, Doug & Armintha, Jim & Pam, Bill & Erika, Andy & Sarah, Mike & Paulette, Mel & Norma, Dick & Bonnie, Matt & Melissa, Mark & Donna, Robert & Judi, Tom & Nancy, and Jim & Claudine. A great way to end another successful Corvette Indy Club year!

Upcoming Events:

ELVIS Tribute; January 11th, 2013

ALL: Donna and I have been to this several times and if you like Elvis this show is worth the money... these guys are very, very good! If you are interested in going please buy your own tickets when they go on sale on October 24th and we can make plans later to meet for dinner before the show. To borrow some corn from earlier this year... "One Night" on January 13th Dean & Zoe Dolbee. Phillip Bronicki, and his 88 year old dad (wearing his Elvis shirt) and Greg & Donna Bowron met for dinner at the Cracker Barrel. It was very cold and snowy and there was not a Vette in sight. The parking lot was slippery so Greg told Donna to hang on tight as he didn't want her to say "I slipped, I stumbled, I fell..." At that point Donna replied I'm "doin' the best I can" "Lover Boy" and if you don't want "Trouble" "I Beg of You", "Don't" start those terrible puns or you'll be "Lonesome Tonight!" Greg replied, "That's All Right" "Don't Leave Me Now", I'll be "Any Way You Want Me" so try to "Treat Me Nice". Donna said "What'd I say?" Do you want to be a "Lonely Man"? Greg replied that's "Such An Easy Question" just "Kiss Me Quick" as I "Surrender". I was just "Trying To Get To You" so "Don't be cruel" like a "Hard Headed Woman", let's just shake hands so there will be "Peace In The Valley" and go eat but not "Too Much" as we're "goin' to a party". Donna groaned and said Lord "Help me make it through the night!" They headed in for some good food and good company. After dinner they decided "It's Now or Never" so let's go "Rip It Up" and have "a little less conversation and a little more satisfaction" so "Hot Dog!" we rolled "Way Down" to the Pike Performing Arts Center and the Elvis Birthday Tribute show. During the show Greg was momentarily "Paralyzed" and just missed catching Donna a "Teddy Bear". Greg apologized to Donna on the near miss and said "It hurts me" and I'm "Indescribably Blue" that I didn't get you that little "Good Luck Charm". Donna said "Baby I don't Care" I guess I'm just "Stuck On You" and maybe its just "Sentimental Me" but you are "Always On My Mind". Greg said no wonder "I can't help falling in love" with you! The annual tribute show consisted of 3 artists that depicted 3 stages of the King's career; the early years, a leather clad "'68 Comeback Special" Elvis, and a sequined white jump suit "Vegas" Years Elvis. It was a show that "Memories" are made from and if there is a better Elvis tribute anywhere else "I really don't want to know!" If you are an Elvis fan "Didja Ever" see this tribute? If not "I'll remember you" and invite the club again to next year's event! Thank you, thank you very much! Pike Performing Arts Center, Indianapolis, IN; Show is on Friday, January 11, 2013 at 8:00 PM; Tickets: \$49.50, \$35.50, \$19.00; Tickets are on sale Wednesday, October 24, 2012; Phone: 317-216-5455 Online: www.PikePAC.org Or at the Pike Performing Arts box office: 6701 Zionsville Road Show features: Shawn Klush, Cody Ray Slaughter, Donny Edwards, D.J. Fontana, Sweet Inspirations, and The Blackwood Quartet So Far: Greg & Donna Bowron, Greg Bowron & Allie, Dean & Zoe Dolbee, Doug & Mary Harp

Lapham's Winter Party, Saturday, January 26th If you are interested in attending a winter party at Bill & Erika's house please indicate your interest by emailing Greg at ndirishr1@hotmail.com to sign up. The party will commence at 7:30 PM. All table service as well as soft drinks, wine, beer and wine coolers will be provided. Bill and Erika will have a large crock pot full of bbq meatballs. Everyone is asked to bring a sweet or savory snack item. One of the most popular items last year was some delicious sliders from White Castle. We certainly hope that they make another appearance this year. There are rumors of peanut butter pie too! And Bill R. has promised his world famous guacamole. We will have cards available for those who would enjoy that. This is a nice opportunity to just get together even when we can't take the cars out. Hope to see you there.

Noelle's Winter Party, Saturday, February 16th If you are interested in attending a winter party at Jim & Shelley's house please indicate your interest by emailing Greg at ndirishr1@hotmail.com to sign up. Details to be announced.

TALLADEGA NIGHTS (OR DAYS)

MVP Track Time - 2013 Circuit of The Americas Track Weekend; (March 2013) Good Day All: Hopefully the subject line caught your attention. Since you are reading this, I trust you may be intrigued by the idea of driving on America's newest F1 track in Austin, Texas. For some time, MVP Track Time has been in conversations with the new US Formula 1 track, Circuit of The Americas (COTA) [<http://circuitoftheamericas.com>], in Austin, Texas about renting the F1 track for a track weekend. Would you like to drive the same track Alonso, Vettel, Raikkonen and Button will race on in The USA, before they do? It appears I'm not the only one who'd like to drive COTA, as conversations with many attendees at our track events has been positive about the idea of a COTA track event. The purpose of this e-mail is to determine if the commitment is there from MVP Track Time's clientele. This is a very ambitious commitment (After all they spent something along the lines of \$250M building COTA) on MVP's behalf and I need to see if we can make this work. Here's the skinny if MVP jumps in to rent Circuit of The Americas. The track event will probably be a three day weekend event, Friday, Saturday and Sunday, but we are inquiring about Saturday & Sunday only as well. (Offer your opinion) Preliminary dates are (March 15-17, 2013 for three days, or March 16-17, 2013) for two days. Due to the track rental cost we must switch to a four(4) run-group format instead of our usual three run-group format. **BUT** we will schedule four longer sessions each day for each run group, so we still schedule approximately two hours of track time daily for each run group. Realistically for each driver, figure \$600-\$650 if we only go Saturday & Sunday, or \$750-\$850 if we go Friday-Saturday-Sunday. I'm leaning toward 3 days because of my drive from St. Louis. What MVP needs from each of you is a verbal or e-mailed "Yes" or "No" to determine if we go beyond this e-mail. We are not yet asking for any entry fees or registrations yet, just a pseudo survey to gauge interest. Please take a few minutes to think it over, have the discussion now with your significant other (My wife has already said I can go play in Austin!) and then drop me a *Yeah* or *Nay* e-mail at Feffman@MVPTrackTime.com or call me at (314) 249-3770. Circuit of The Americas, home of The US Grand Prix for the foreseeable future, is a unique 3.47 mile track event opportunity so I hope you'll join us to come drive for a long, 3-day weekend at Circuit of The Americas. I look forward to hearing from each of you. Happy Motoring. Mark Pfeffer - President, MVP Track Time www.MVPTrackTime.com Phone: (314) 249-3770 Fax: (636) 530-6846 E-mail: Feffman@MVPTrackTime.com

MVP Track Time 2013 Schedule. There are some changes, including our first 3-day track event at the new F1 track, Circuit of The Americas (COTA) in Austin, Texas. Visit our web site for schedule updates as 2013 progresses. MVP's goal remains the same. We offer you great value with more actual track time at each event for less money than most organizations. Our three run group (Novice, Intermediate and Advanced) format give the drivers maximize time driving on the track instead of sitting in the paddock. Below you will find our initial 2013 schedule, again subject to possible revisions as the year progresses.

- **February 1-3: Circuit of The Americas (Austin, TX) – SOLD OUT**
- **April 13 – 14: Putnam Park (Greencastle, IN) – 7th Annual "Tax Freedom Track Weekend"**
- **June 3: Autobahn Country Club (Joliet, IL) – "Monday At The Bahn" (Full 3.56 Mile track)**
- **August 12: Autobahn Country Club II (Joliet, IL) – Full 3.56 Mile Track**
- **October 12 - 13: Road America (Elkhart Lake, WI) – 4th Annual "Cheese Heads On Track"**
- **November 23 – 24 OR 16 - 17: Road Atlanta (Braselton, GA) – 5th Annual "Flyin' Turkey Trot" [Road Atlanta Date Confirmed Soon]**

Registration (on line or mail in) for all our track events is available at: <http://www.MVPTrackTime.com/id47.html> Generally, we schedule a minimum of six, 20-minute session each day for each run group with qualified instructors available for the Novice run group.

WANTED: DRIVE N DINE HOSTS!!!! If you enjoy the Drive N Dines, please consider volunteering to host an event. The Drive N Dine program will really take off when more people enjoy the experience of running their own Drive N Dine. They are easy to do and fun too. Greg will help you plan it if you would feel more comfortable your first time. Puleeze... step up and volunteer to host an event, you will be making an important contribution to your club.

CORVETTE COOKIE CUTTER COLUMN:

Key Lime Pie Poke Cake

Bring the great flavor of key lime pie to a wonderful white cake. It's refreshing and fantastic!

Prep Time: 20 min

Total Time: 1 hour 55 min

Makes: 15 servings

Cake

1 box Betty Crocker® SuperMoist® white cake mix

1 1/4 cups water

1 tablespoon vegetable oil

4 eggs

Key Lime Filling

1 can (14 oz) sweetened condensed milk (not evaporated)

3/4 cup whipping cream

1/2 cup Key lime juice or regular lime juice

1 teaspoon grated lime peel

4 drops yellow food color

1 drop green food color

Frosting

1 container (12 oz) Betty Crocker® Whipped vanilla frosting

2 teaspoons grated lime peel

Garnish, If Desired

Fresh strawberries

Key lime slices

Lemon leaves

1. Heat oven to 350°F for shiny metal or glass pan (or 325°F for dark or nonstick pan). Spray bottom only of 13x9-inch pan with baking spray with flour.

2. In large bowl, beat cake ingredients with electric mixer on low speed 30 seconds. Beat on medium speed 2 minutes, scraping bowl occasionally. Pour into pan.

3. Bake 26 to 30 minutes or until toothpick inserted in center comes out clean. Cool 5 minutes. With handle of wooden spoon (1/4 to 1/2 inch in diameter), poke holes almost to bottom of cake every 1/2 inch, wiping spoon handle occasionally to reduce sticking.

4. In medium bowl, stir together filling ingredients (mixture will thicken). Pour over cake; spread evenly over surface, working back and forth to fill holes. (Some filling should remain on top of cake.) Refrigerate 1 hour.

5. Spread frosting over cake; sprinkle with lime peel. Garnish with strawberries, lime slices and lemon leaves. Store loosely covered in refrigerator.

High Altitude (3500-6500 ft): No change.

Kitchen Tips

Key lime pie is not green in color unless food color is added. If you'd prefer a greener filling in this cake, add a couple drops of green food color to the filling before pouring it over the cake.

If Key limes aren't available in your grocery store, look for bottled Key lime juice near the other bottled lime juices.

*I don't suffer from insanity ...
I enjoy every minute of it !*

This guy gets to the Pearly Gates, and Saint Peter says, "Now wait just a moment, before I let you in, I need to ask you, have you ever done anything to put others first, or defended the weak or innocent, things like that? The man answers, "why yes, I saw this man with a Corvette by the side of the road, and he was yelling at his wife, and threatening her, so I walked up to him and screamed at him to leave her alone, and if he didn't I'd kick his head like this.... and I kicked a huge place on his driver's door on that Corvette". Saint Peter answers, "Wow, that's pretty good, when did you do that?" The man answers, "Oh, about 4 minutes ago".

Carol's Vette had a dead battery in her garage and she called her mechanics shop. Since she had to go to work she told the manager, "I'll leave the key under the mat. Fix the Vette, leave the bill on the counter, and I'll mail you a check ."

"Oh, by the way don't worry about my dog Spike. He won't bother you. But, whatever you do, do NOT, under ANY circumstances, talk to my parrot!" "I REPEAT; DO NOT TALK TO MY PARROT!!!"

When the mechanic arrived at Wanda's he discovered the biggest, meanest looking dog he has ever seen. But, just as she had said, the dog just lay there on the floor watching the mechanic go about his work.

The parrot, however, drove him nuts the whole time with his incessant yelling, cursing and name calling.

Finally the mechanic couldn't contain himself any longer and yelled,

"Shut up, you stupid, ugly bird!"

To which the parrot replied, "Get him, Spike!"

SELLING CHEAP

The advertisement said \$1000 for a 2-door Chevy. The prospective buyer discovers that the Chevy for sale is a 1963 split window Corvette coupe in mint condition! The Buyer says to the woman selling the car, "You know the car has to be worth at least \$200,000, why are you selling it so cheap?" The woman replied, "My husband left me for another woman. He told me to sell the corvette and send him the money."
