Corvette Indy Meeting at American Legion "Carmel" 9-16-2019

Boy it sure seemed like a long time since we had been together to share good times, good food and great fellowship! However, even though we were not together on meeting nights, we sure have had a month filled with lots of activity! I recall several times there was 2, 3, or more events going on the same day, but as always; Corvette Indy has so many great leaders they step up and Corvette Indy makes a lasting impression everywhere they spread their sunshine, and oh yes, take home those trophies! *Makes my heart smile!!* ☺ Sweet sweet memories, thanks to all of you that is what I have 30 years of wonderful loving memorable moments. I am getting more and more excited about our 30th Anniversary celebration, and give a heartfelt thanks to Wylie and his crew for putting together a great celebration, and I heard tonight from Londa Habecker that we have **148** signed up to attend! WOW! I cannot wait, that will be a lot of hugging, but we will get it done! ☺

Speaking of hugging, it was so good to have our sweet, beautiful Bonnie Pacetti back with us tonight as she continues to heal, and I managed to get a huge hug from her. Bonnie; you looked just radiant and your healing is coming along perfectly! A special thank you to her great nurse, Dick, for taking such good care of Bonnie. Dick said he would rather be Corvetting than cooking, but he is doing a great job! Know we are here and continue to lift you in healing prayers. We are also lifting up Tom Piercy and Gary McIntyre as they both recuperate from knee replacements. Tom and Gary; missed your faces tonight, but know we are sending you both lots of love and healing prayers and we will see you back with us soon. This brings me to my next heartfelt thanks....as you all know I mention our beloved brother, Wayne Graham that has been paralyzed for 5 years from a surgery that did not go well, and I always ask any of you who are willing to take your time and love, Wayne and his lovely wife, Jan can use the love and encouragement. So, our great brother and sister, Jimmie and Donna Driscoll contacted me and we went and spent Friday, September 6th with Wayne and Jan. Words cannot accurately express the gratitude Jan and Wayne had to Jimmie and Donna for this special visit. Jimmie gave Wayne one of our Corvette Indy hats that he keeps right by his bedside now and Jan had their C4 red on red Corvette detailed and in the driveway just for Jimmie and Donna to see. You two have given Wayne a new reason to fight to get well and join us! Thank you sincerely for your time, love, and prayers. This coupled with their recent visit to Tom Piercy to encourage him and share love and prayers along with Linda White doing her loving visits and calls. Tonight I announced Corvette Indy has an official "Care Team", as of tonight, this care team consists of Jimmie & Donna Driscoll, Linda White, Marge & John Herder, Ray & Sherry Chester and of course your prayer warriors Sharon & William Arnold. If you or anyone you know needs prayer, a visit or a loving call, let us know! This is bringing Corvette Indy to another level I dreamed of 30 years ago. Thank you all, you are a blessing to me and everyone you share your love, time and prayers with daily!

Special update for our brother Jim Kellam. Pam said they did not attend tonight because they over did it over the weekend, but Jim is doing great and thanks all of us for the love and prayers. Jim feels the prayers and knows we love him and are here for him! Cannot wait to see you kids again soon! 😊

A special thank you to Shep & Sheila for the great drive n dine trip we just completed on Friday the 13th, full moon and all to celebrate our beloved Ray Chester's birthday. We traveled by metal cars to Lake Freeman in Monticello. A special thank you to Linda & Bob Ray for driving their beautiful yellow Corvette, it was the saving grace for us in the rear to keep up with the pack! First time we have ever been on the Madame Carol for her dinner cruise, but as you all can see by pictures posted, it was a beautiful evening filled with lots of love and laughter good food and entertainment and something to do again! Thanks to all who shared Ray's special day!

We had **138** members come out tonight and six guests for **142** present. Rick and Mary Lenglade, were not only guests of ours tonight but also neighbors of Sherry & Ray. You kids will be a great addition to Corvette Indy! In addition, we had Mark Wilder, Bill Kennedy, Dan, & Marcy Walls. Welcome to each of you, later in the minutes I will introduce your cars! Hope you all join us in many activities; it is the best way to get to know your Corvette Indy family. I always enjoy sitting with brothers and sisters I do not know well, and it is always a great encounter.

Ray said according to our by-laws we are to hold Executive meetings throughout the year. Last year we had three Executive meetings, however, this year we held our first Executive meeting on Monday, August 19th. The Executive Officers attending were Ray Chester, President, Steve "Shep" Shepard, Vice President, Sharon Arnold, Secretary,

John Herder, Treasurer, Bob Hensley, Governor and Wylie Etscheid Membership Director. Ray said these are the 6 officers that were elected to represent Corvette Indy for 2019. Ray said the Executive Committee is not rewriting the Constitution or the By-Laws for the club. It is the feeling we needed to reiterate the constitution and by-laws that have existed for 30 years. Corvette Indy's mission has always been to promote the Corvette and the Club known as Corvette Indy. The officers feel we have drifted too much to outside interests. Our goal is to promote Corvette Indy. Due to this concern brought before the Executive Committee, Ray is requesting an email prior to the meeting with a brief description of your topic. This is nothing new, it has been brought to our attention that Ray has become too lenient about accepting a handshake before the meeting and it takes up too much additional time. Final point: When Ray gives you the microphone, your job is to provide information. When Ray speaks, he tries to maintain a level tone and your job, as microphone holder, is not to correct/admonish another member, just provide information on your topic. Thank you in advance for your cooperation in this matter.

Ray wanted to give a special thank you to Jimmie Driscoll and Shep for taking over the track event at IMS while he assisted Marge and John Herder on the Zionsville Parade. Another special thank you to Brent and Betty Williams and Mike Lewis for great food and a great picnic on September 8th. This is one of our traditional picnics that we use as a Memorial for our Corvette Indy brother and sisters we have lost through the years. Ray asked me to do the prayer prior to eating, and it brought an awareness to me that we need to firm up our list of our beloved brothers and sisters we have lost. So, in the near future you will be seeing the list I will post for you to assist me, if I miss someone or could not find them, I can use all the help I can get. A special thank you to Bill Lapham for his help! I am here to tell you the brothers and sisters from 30 years ago, are smiling down upon this great club and family! Ray also wanted to give a special thanks to Shep & Shelia for planning and executing a great birthday celebration on the Madame Carroll, Ray thanked each of us that could make it and helped him celebrate another great year. Ray wore the Captains hat and he looked just like Captain and Sherry his beautiful wife, we felt we were dining with Captain and Tennille! Love you kids and Ray we hope you have an awesome new year ahead! Know you are loved and appreciated!

ATTENTION: Bob Ray has brought it to our attention that Corvette Indy is not presently, actively, participating in the Brown County Annual Event on October 6th this year. This is the 50th year celebration of this event and one Corvette Indy always takes first place for attending. We have so many going to be gone that 3 day weekend to New Harmony, but we believe there are enough of us not going to New Harmony to sustain our Brown County tradition. Mike Berry said he would lead the group, so, here is my challenge; we will ask Jim Shaver to put out a request and please sign and let us know if you are available and want to share a fun Sunday and see the beautiful foliage. Thanks in advance!

Ray said Wylie could not be with us tonight as he and his lovely bride were out vacationing. But Wylie is still looking for ten Corvettes for the upcoming Westfield Parade on 9/26 at 4:30 PM. Wylie apologized for the past where some of the cars were in danger of flying hard candy. Wylie promises this year that issue will NOT happen. Someone announced Jim's list shows ten Corvettes already signed up, but there are still two Camaros needing drivers; please see or speak to Ray or Wylie and thanks in advance. I know Corvette Indy will have several of their beautiful babies making us all very proud! In addition, Ray has the Fisher's Parade the following day on 9/27, so please get in touch with Jim Shaver or Ray and make sure we have a great team for that parade as well. Paul Habecker said he did not have any problems last year in the Westfield Parade with flying candy as he was driving the Principal! Hmm, then rumor had it that Jerry Croy was sent to the Principal!! See why it is important to be on the scene to get the scoop first hand. Lord, we do not need any more **FAKE** news! ☺ Love you all and thank you for always making us proud!

PRAYER WORKS! → Please check out my prayer list at the bottom of the minutes!!!

Ray called the meeting to order at 7:00 PM tonight and led the group in the pledge of allegiance.

Ray asked if everyone had time to read the August 19, 2019 minutes and if there were any corrections, additions, or deletions. Hearing none, Keith Riley made a motion to accept the August 19th minutes as written, John Valentine made the second, and the voice vote was unanimous to accept the August 19, 2019 minutes.

Ray thanked everyone for coming out tonight, he said it seemed like ions since we had a meeting, but we sure have had a month of great events. Ray gave special thanks to everyone that stepped up to help pull off Corvette Indy attending as many as 3-4 events in a day! What a great TEAM! Kudos!

OFFICER REPORTS

PRESIDENT; Ray Chester

Ray was still reminiscing his great birthday celebration, but was glad to see Shelia was looking better, she got a little sea sick, and his lovely bride Sherry sit down in a chair that wasn't there, but all in all it was a great time and great fellowship.

Vice President; Steve "Shep" Shepard

Shep & Shelia wanted to thank all of the Corvette Indy brothers and sisters that joined them on their first Madame Carroll dinner cruise that happened to be on Friday the 13th, *a full moon*, and Ray's birthday all wrapped into one great night of good food, entertainment and great memories and conversation. Shep assured us all that even though Ray was wearing the Captain's hat he was not at the helm! It truly was a beautiful, peaceful fun evening!

Shep is honored and excited to announce one of our great Corvette Indy brothers, Joel Bardach's brother was killed in Viet Nam and was never returned to the family. His brother's remains have been in Hawaii since 1988, and are in the process of being returned to Joel and his family October 4th and on October 5th we are invited to join Joel at Crown Hill Cemetery where his brother will be properly laid to rest in full military honors. The Honor Guard will be present along with other military dignitaries to give Joel's brother proper salutation. We have many Veterans in our Corvette family and I pray each of you will come out to join Joel and Priscilla and give them your love and support as they honor his brothers memory. It will be October 5, 2019 at Crown Hill Cemetery 12:30 PM is the funeral. I think it would be great if you contact Shep and perhaps Corvette Indy do their own procedural entrance to this commemoration. I am so sorry Joel, I will be I Harrison, Ohio and about 40 of our leaders and members will be in New Harmony, but please know we will be with you and Priscilla and your family in prayer and our love and thoughts will be with you on this special reunion. Thanks to my Corvette Indy brothers and sisters that can and will join Shep to make Joel's day extra special with lots of love and support!

Treasurer; John Herder

John said we have a big balance at this time, however, there is money there for the upcoming 30th celebration and other expenses to be paid out for events, but it still looks great! *Thanks John!*

Secretary; Sharon Arnold

Praise the Lord; I did not have that huge fan in my ear tonight, so I could hear better and the pressure is on; I do not have an excuse for not getting these minutes correct! ☺

I am so grateful that William and I were able to attend this year's Annual Picnic. I agree it will be a good thing to move it to Noblesville for next year, it was like a Chinese puzzle finding the roads that were open to get to Southeastway Park, but once we arrived it was a beautiful sight to see all the beautiful people with their beautiful Corvette babies! We had 60 plus brothers and sisters that came together for a moment of silence for our Corvette brothers and sisters we have lost in the past 30 years. We took this time to remember them and lift up our brothers and sisters who are here and standing in the need of prayer. We lifted up Jim & Pam Kellam, Tom Piercy, Gary McIntyre, Bonnie Pacetti, Wayne Graham, Lee from Florida, and many others. It always brings a tear to my eye and a warmth in my heart to see and feel the love we all hold for each other. It was great to have Gary & Marian Cole with us, as we lift them both up in prayer too. This was the epitome of what Corvette Indy was founded and built on! Thank you all for being part of such a great family, that all share the same interests and love for one another. I made a promise to all my Corvette Indy brothers and sisters that I will have a list of all our brothers and sisters we have lost ready before our 30th anniversary celebration. So, I need your help if you can think of anyone we have lost please email text or call me, thanks in advance.

Five days later, we joined in the fun trip to Lake Freeman in Monticello, IN and William and I took a Friday off for the first time in a long time to join Shep, Shelia, and about 30 Corvette Indy brothers and sisters to have a great night filled with lots of love and celebration of Ray's birthday and our fellowship. Sending you all lots of love and gratitude, we have a great family! I urge our new members to sign up and join in an event that looks good to you or our weekly gathering eating places, there is no better way to get to know your Corvette Indy brothers and sisters and share in the love we have for each other and our beautiful Corvette babies. I look forward to meeting you and getting to know you, if you want to know the history, I am always available to share my love for the Corvette and this club, as many of you have found! *Oh Lord, am I turning into my grandmother!!* 🥰 I so enjoyed Bill & Becky Stafford, Linda & Bob Ray, Susie Hale and Terry Stitzer, my little brother; Mark Hilligoss, and my wonderful hubby; William that surrounded me on the Madame Carroll. I extend my deepest sympathies to Linda & Bob on the loss of their beautiful fur baby on Thursday before our trip. We love and support you kids and share in the pain of losing our beloved fur babies.

I am also so excited we have **148** signed up to share our wonderful 30th Anniversary celebration. William and Matt Austin (our Drone operator) are fine-tuning the beautiful pictures taken that will be on the back page of the winter issue of the Blue Bars with a full-page internal article with a few more pix. A special thank you to Wylie and his team of helpers to prepare what I am hearing a show stopping 30th anniversary celebration fit for a king and queen! I am not too excited am I?? I hope if you have not signed up to attend or paid for your food, you will do it now. Let's get that number up to 200 plus! Celebrate Celebrate, dance to the music, is already playing in my head and heart, well until then keeping you all in my thoughts and prayers and sending you all my sincere appreciation and love.

Please keep Wayne Graham, our paralyzed Corvette brother, in your prayers and let me know when you are ready to go out and meet him, it is important we keep him fighting to take back his life! Also, keep Bonnie Pacetti, Jim Kellam, Tom Piercy, Gary McIntyre and many others who wish to be remembered in quiet prayers. Also, let's keep Jim Kellam in prayer, Jim; we love you and feel you getting better and better!

If you or anyone you know, needs prayer please contact me or anyone participating on Corvette Indy's newfound Care Team so we can keep you lifted and loved through our thoughts and prayers! Until we meet again, know I love you all and appreciate each of you assisting in making Corvette Indy a #1 club!

OLD BUSINESS:

Jimmie Driscoll said he is trying to push activities; we just finished two car shows, a parade and an IMS activity all in one day. And Corvette shined in all areas and brought home many trophies. If you want to be the talk of the town, get on board, it is quite a ride! ☺ Thanks to Jimmie and all of you who put in tireless hours to put these activities together and see them through to a great ending. Love you all!

Jimmie was so excited because he just learned that our Main Event Car Show was published on p. 19

https://issuu.com/currentpublishing/docs/cic_082719_final ← check it out! Jimmie says it shows Wylie and a Veteran with his prosthesis and his service dog. Jimmie said it always brings a lump in his throat!

Jimmie has trophies for some of our members that won awards for our Main Event, please get with Jimmie to see if you have a trophy awaiting your bookshelves!

Paul Habecker said the Charity Committee met and they have set aside \$4,500 to donate to our favorite charities again this year. It was determined that Linda White will be giving Pet's Healing Vet's \$1,000 we raised for our Main Event. This is in addition, to the monies that was raised on that day. Sharon Arnold made the motion to give Pet's Healing Vets \$1,000 donation and John Vess made the second. The vote was unanimous. Thanks Linda for your love and work you do with this organization, give them our love and blessings!

Diana Albright wanted to remind everyone this Saturday, September 21st is the annual Walk 'N Roll for Spina Bifida. Diana said to please bring a blanket or towel so the kids will not mess us your seats with their braces, or they will not be burned on the hot seats. Diana said there would be a box lunch for the participants, and she is excited there is no Safari this year and they have reversed the walk. So the kids will end up where the Corvettes will be staged Diana extended her deep appreciation for all our great Corvette Indy brothers and sisters that each year participate and make these children's lives happy. God bless you all and I pray you will have great weather..

Paul Habecker said he can hardly contain himself the 30th Anniversary is coming together and there will be lots of surprises. The biggest surprise is we are no longer having Doug Boles as a guest speaker, but we do have Donald Davidson and Ken Lingenfelter. Paul is asking if you have a favorite song, you wish to have played at the party to please send the requests to Paul soon, so he can give them to the band. Please email Paul @ paul@print-tek.us with your song requests. Thanks in advance.

Paul said Diana Albright is making a quilt to be auctioned off for the 30th event. The quilt is a large quilt made of all the shirts including the 1992 Champion shirt we have had over the past 30 years, Diana hopes to have it ready for the first meeting in October. Diana says it is colorful and beautiful. Bill Lapham said you could buy raffle tickets for the quilt at the first meeting in October.

New Business:

Linda White is excited about the ladies getting together to do fun activities, starting with Purse Bingo, which we are doing again this Thursday in Noblesville. With holidays, rapidly approaching Linda wants to put together a trip to Edinburgh Outlet Mall shops! Linda would like to see how much interest there is within this group for a one-day shopping trip. Linda says on a high level it would be on Thursday, November 14. Linda does not have all the details at this point, but she is asking if you want to join in this fun trip to email her with your interest at hoochiemadre@earthlink.net. Thanks in advance and happy s hopping!

Linda says if she has enough interest she will have it added to the calendar by the next meeting, and she will have firmer details on the trip.

PS Linda says if there are any men in Corvette Indy that wish to attend you are welcome! ☺ Thanks Linda; you are a special lady!

The 10% discount on in stock 2017 Corvettes is a REAL 10%.

My wife and I recently moved to a new home. The property has a shop building with a 9,000 pound car lift. I can't tell you how many times I've wanted to lift the Vette in the past to install a new front splitter, change the oil, etc., and now I can! I figured I wasn't the only one, so we wanted to offer free use of the shop/lift to our fellow club members. The shop would generally be available on weekends, and scheduled in advance.

It is Corvette Indy's pleasure to welcome new members. So, WELCOME! We are so glad that you joined us. Corvette Indy is a vibrant, friendly and extremely busy club. We encourage you to participate in *as many activities as you can*. That is how you will get to know us and we will get to know you. Come to the somewhat crazy meetings on the first and third Mondays of the month at The American Legion in Carmel. They are noisy and well attended (we average 60-80 members even in the winter) but they are fun – but NOT the best way to get to know lots of members! Be at McAlister's every Saturday morning and Ale Emporium every Tuesday evening. On Wednesday, meet at the Noble Roman's on 32 in Westfield and on Friday you will find members at MCL at 116th & Keystone . Then come to as many other events as you can. The number picks up during driving season but we are busy all year. And when you feel ready, jump in and become a planner/leader of an event. Many members will be happy to help you, if you want, for your first try. That is what makes this club work, lots of members being involved in leading and participating in events.

All that all being said --- We Are Always Thrilled To Welcome New Members:

All will be Official after September 1st!!

Bird of the Month – Red-tailed Hawk

The Elvis of the bird world, Pale Male, a red-tailed hawk that resided in a rooftop nest in Manhattan, became famous in 2004 when actress Mary Tyler Moore began watching the hawk from her window. When the company that managed Moore's building tore down the raptor's nest, Moore was outraged and

fought to have it rebuilt. Moore won; the nest was rebuilt, and Pale Male returned.

For nearly a decade, New Yorkers observed Pale Male bringing a variety of mates to the nest, resulting in many offspring.

Raptor experts say Pale Male is surely deceased, but there are still numerous internet reports of "sightings."

Red-tailed hawks, which hunt moles, voles, mice, and squirrels, are found across the United States and Canada. The descending *keee-eeerrrrr* call they make when flying is famously used in the background of many westerns.

Birthstone – Sapphire

The cool blue sapphire is made of corundum, and when it is red, it is called a ruby. The most expensive sapphires are mined in Kashmir and Myanmar, but they are also found in Australia, Africa, and India. Sapphires are very hard and durable. Perhaps that is why they are associated with truth and fidelity. In ancient times, it was believed that if the wearer was unfaithful, the stone would not shine. Sapphires were reputed to have healing powers that helped with eye and ear problems, bleeding, and inflammation.

Flower – Aster

September's flower is the late-blooming aster, considered the afterthought of the Roman goddess Flora because it blooms later in the season than most flowers. These mid- to late-summer blooms get their name from *aster*, the Greek word for "star." The aster comes in a variety of colors—including pink, purple, lavender, blue, and red—usually with a yellow center but sometimes centered in black. It's a perennial, blooming year after year following a first year of dormancy. So, in the language of flowers, the aster has come to symbolize daintiness, love, and patience.

Fun Facts About September

- September is the ninth month and the only month with the same number of letters in its English name as the number of the month.
- Shakespeare did not mention September in any of his plays.
- In 1752 in Britain, September had only 19 days as we changed from the Julian to Gregorian calendar.
- September is the only month in which stock share prices have more often fallen than risen.
- Richard Saunders, the 17th century English astrologer and physician, said it was good to eat pomegranates and goats' milk in September.
- The last day of September in any year always falls on a different day of the week from the last day of any other month.
- September is the most popular month for birthdays in the United States. Specifically, September 9 is the most common birthday.

September is the ninth month, but this was not always the case. It was named for *septimus*, meaning "seven," its original place in the Roman calendar. (January and February were added to the calendar in 700 BC.) September was called "harvest month" in Charlemagne's calendar. Anglo-Saxons called the month *Gerstmonath*, or "barley month," for the crop that was usually harvested then.

In the Good Ol' Days of September

In September 1944 (75 years ago), the average annual salary was \$2,600. Minimum wage was 30¢ per hour. The average cost of a new house was \$8,600. A Hershey's chocolate bar was 5¢, a loaf of bread was 9¢, and postage stamps were 3¢ each. A car cost \$1,220. But best of all, gasoline was 23¢ per gallon—even cheaper than a gallon of milk, which was 62¢.
